

COUNTY ASSESSOR

<u>Bob Overbeck (D)</u>	<u>Questions</u>	<u>David Eisenbraun (R)</u>
NO RESPONSE WAS RECEIVED FROM THIS CANDIDATE Please check candidate's website for more info.	In your opinion, were there too many property owner appeals regarding property valuation over the last couple of years?	Yes
	If you answered "yes" to the question above, what steps will you take to reduce the number of appeals if elected? (25 words or less)	We expect protests to remain high based on high interest rates and values so will work on communication and ease of protests.
	Are property values accurately assessed in Larimer County?	No
	If you answered "no" to the question above, how can this be corrected? (25 words or less)	As I work to phase out outside consultants, we will bring our expert staff back into the picture to provide better accuracy regarding valuations.
	What is the most pressing need in the Assessor's department? (25 words or less)	Staff is demoralized with the incumbent. I will focus on rebuilding the morale and trust, which will in turn help the residents.
	What is your plan to address this need? (25 words or less)	I will work to empower them through collaboration and encourage them to reach out to peer communities as we face challenging times.
