

STATE BOARD OF ED DISTRICT 8

<u>Rhonda Solis (D)</u>	<u>Questions</u>	<u>Peggy Propst (R)</u>
NO RESPONSE WAS RECEIVED FROM THE CANDIDATE Please consult candidate's website for more info.	Should the covid vaccine be added to the list of mandatory vaccinations for admission to CU and attendance in K-12 schools?	No
	Did the extended school lockdowns provide more benefit than harm to our students?	No
	Please explain your answer to the question above. (25 words or less)	Health care choices should lie solely with parents. There should never be a mandate that attempts to override this power or position of responsibility. Let parents make this decision.
	Do parents have the right to direct their children's upbringing and education by being allowed to see their children's records, curriculum, teaching and testing materials, as well as to be notified before any medical procedure or mental health therapy is performed on them (except possibly in the case of suspected parental abuse)?	Yes
	Should parents be allowed the opportunity to observe their children's classrooms, even at the high school level?	Yes
	Should Critical Race Theory be the foundation of our schools' curriculum?	No
	Please explain your answer to the question above. (25 words or less)	No oppressor or oppressed mentality. Give students the skills to excel in the world. It's the parent's role to train up their children, not teachers/school

		system. The school should support this right, not attempt to undermine, or negate it.
	What do you believe schools should do to better prepare students with the skills and knowledge they need to succeed in higher education, work, and life? (25 words or less)	Get back to the basics of Reading, Writing, Spelling and Arithmetic! Teach character education not indoctrination. Teach them HOW to think, not WHAT to think.
